

California Roll (song)

Have you ever eaten sushi?
or a California roll?
Have you ever eaten kimchi?
Have you ever been to Seoul?
No, I've never eaten kimchi.
I've never been to Seoul.
And I've never ever ever had
a California roll.
Have you ever been arrested?
Have you ever gone to jail?
Have you ever had a diamond ring
or worn a wedding veil?
No, I've never been arrested.
I've never gone to jail.
I've never had a diamond ring
or worn a wedding veil.
I've never lived in Brooklyn.
I've never lived in Queens.
I've never eaten sushi in a house in New Orleans.
I've never eaten kimchi.
I've never been to Seoul.
And I've never ever ever had a California roll!
No, I've never ever ever had a California roll!

Have You Heard from Mary Lately?

Have you heard from Mary lately?
No, I haven't, have you?
Yes, I have. She called last night.
How's she doing?
She's doing all right.
Have you spoken to Bobby lately?
Yes, I have. He called last night.
How's he doing?
He's doing all right.
Have you talked to Ray?
Yes, I have.
How's he doing?
He's doing O.K.
