Description Flashcards: Teaching Notes

Additional Information

- We have a two-per-page set of description flashcards ready for downloading. Each size comes in both black and white and colour.
- We have other worksheets practising descriptions. Check out 'What do you look like?' It even gives your students the chance to try out their artistic skills!
- The vocabulary listed below the flashcard is only a suggestion.
- For more materials, check out *Instant Lookup* search engine.
- For more flashcard ideas, visit <http://www.handoutsonline.com>.
